

CAREER SEARCH IMPLEMENTATION

Equip yourself with the knowledge, skills, and tools to successfully secure a new opportunity.

Positive Results

We can help you:

- Secure a new job or transition to a new career, occupation, or industry in 45 days or less
- Improve your job search effectiveness through the use of winning practices, targeted techniques, and influential marketing
- Enhance your personal confidence and success with interviewing, networking, and negotiations
- Find a job that's right for you and increase your job satisfaction

Create a Winning Plan

- At the end of your rope looking for a job or not sure where to begin?
- Been years since you put together a resume or had an interview?
- Tired of attending worthless networking events or responding to job postings?
- Looking for more effective ways to land a new job or change careers?

To be successful in securing the best position or making the right career change, it is important to begin with a clear strategy, understand all the resources available to you, and carefully plan your job search approach. By using winning and proven job search strategies, you can make a transition and/or secure a new job in less than 45 days.

The Ginac Group Career Search Implementation Services

The Ginac Group's career experts can help you approach your search in a systematic fashion, ensuring you do the right things in the right order to achieve your desired results.

We have engineered winning career search strategies and tactics for senior executives and middle managers that have resulted in full-time employment within 45 days or less. In tough times, forget about submitting your resume to employers or posting your resume to a job site. Our innovative methods, relatively unknown to the majority of job seekers, are producing results for people who have been on the market for more than 18 months.

Our comprehensive Career Search Implementation Services include:

Job Search Planning

- Develop a customized job search plan to target companies and industries
- Assess your competencies as they relate to potential opportunities

Personal Marketing Plan

- Create a plan to market your strengths and accomplishments to your current and/or prospective employers
- Set yourself apart from others in your profession and strategically build your career

About Us. The Ginac Group, a leader in the provision of career and organizational development services, provides strategic solutions to help organizations and individuals achieve tangible results. We can help increase the speed and effectiveness of your business execution activities, facilitate positive financial impact, and enhance personal and employee career satisfaction. We offer a wealth of knowledge, resources, and experience, coupled with unparalleled commitment and dedication, to help you achieve your business, professional, and personal goals.
