

PROFESSIONAL ASSESSMENTS

Make better career decisions.

Positive Results

We can help you:

- Understand your strengths, values, and interests
- Identify jobs and careers that are the best fit for you
- Better market your achievements, strengths, and skills to get noticed
- Improve your job performance and satisfaction

Understand Your Strengths, Interests, and Values

- Asking the age-old question “What should I do with my life?”
- Finding it difficult to prepare for your next work assignment as you do your current job?
- Having difficulty interacting with certain types of people within your company?

Taking stock of your personal attributes is a crucial component of successful career decision making, and the most effective way to acknowledge and articulate your value and authenticity in the workplace. Professional assessments can be used to help map a career plan with the confidence that comes from understanding how your interests, skills, and beliefs interrelate.

The Ginac Group Professional Assessment Services

- Transition into a new occupation with a through understanding of the training requirements needed to get a good job.
- Phase out of a job that you don't like, while searching for a job that interests you.
- Explore your strengths, interests and abilities, and determine occupations, industries, and jobs that are a good match.
- Identify and improve skills to help you advance in the workplace.

The Ginac Group offers professional assessments to guide professionals of all levels through major career change. Our assessments are designed to help you make informed career decisions, gauge your skill levels, and find where improvement is needed. We rely almost entirely on the TTI DISC Method, which industry leaders believe is the best, most complete and informative assessment on the market. Our professional assessments help people to gain clarity about their career choice, improve communication skills, resolve conflict, improve productivity, and increase management effectiveness.

Satisfaction Guaranteed

We are so confident that you will benefit from our services that if you are not satisfied, we will give you a free one-hour coaching session.

About Us. The Ginac Group, a leader in the provision of career and organizational development services, provides strategic solutions to help organizations and individuals achieve tangible results. We can help increase the speed and effectiveness of your business execution activities, facilitate positive financial impact, and enhance personal and employee career satisfaction. We offer a wealth of knowledge, resources, and experience, coupled with unparalleled commitment and dedication, to help you achieve your business, professional, and personal goals.

Make better career decisions.

Get Started Today

Within hours you can have powerful insight into yourself to help advance your career. Here's how it works:

- Work with a career coach to select assessments appropriate for you.
- Order the service online via credit card or send us a check.
- Complete the assessments via the Internet using our confidential online system.
- Meet and debrief with a career coach who will interpret the results.
- Discuss career options and kickstart your journey to a better career or life.

We offer many different types of assessments that can be used for different career-related activities including interest inventories, work values instruments, personality measures, and behavioral assessments. Depending on your career situation and goals, we'll work together to determine the assessment that will be of most use and value for you.

Select a Package That's Right For You

Whatever your needs, we will work with you to determine the appropriate combination of services that will support you in achieving your career and personal goals. You can select one of our standard Resume Development packages, or we can tailor a set of services designed uniquely for you.
