

## WORKFORCE RE-ENTRY

Make a successful return to professional life.

### Positive Results

#### We can help you:

- Build your confidence and skills to re-enter the workforce
- Market your personal strengths and successes to rise above competitors and stand out from the crowd
- Build a network of contacts to support you in a successful job search

### Build Your Confidence, Skills, and Contacts

- Are my skills and experience still relevant?
- How do I communicate my value to employers?
- Where do I begin to find a new job?
- Will employers take me seriously?

Making the transition from staying at home to career professional is complex and challenging. Depending on how long it's been since you were employed outside the home, you may have to deal not only with your emotional barriers (Am I too old? Will anyone want to hire me?) but also with logistical concerns such as updating your skills, presenting your time off in a positive light, and jump-starting your network of fellow professionals. Fear can limit your progress. There is simply no clear route to re-entering the workforce and establishing yourself as a valuable business contributor.

### Workforce Re-Entry Services:

- Overcome perceived and real obstacles to workforce re-entry.
- Understand the skills and strategies necessary for success in today's work environment.
- Make a plan of action that will prepare you emotionally for the challenge of finding work.
