

The Ginac Group's Accelerated Career Bootcamp

Construct Your Career in 30 Days

- Possess a lack of awareness of the wide range of occupations in the workplace
- Lack direction, goals, and/or plan of action
- Have not kept pace with changing job technologies, procedures, and practices
- Have a single career orientation and have not thought about other options
- Lack an understanding of the benefits and problems that accompany a career change
- Feel unfulfilled in your present circumstances and are searching for challenge and meaning in your work
- Have looked endlessly for a new job and can't get your foot in the door

Life is characterized by change and we are career change experts. For 10 years, we've helped thousands of professionals with their most pressing career challenges: changing jobs, occupations and industries with a 97.7% success rate. Join us for an Accelerated Career Boot Camp so that we can help you achieve your career goal. The "profession-specific" Boot Camps allow a group of three people to work together to achieve rapid results. The focus is simple -- to connect, motivate, and inspire greater career impact.
