Linda Ginac Finalist for “Profiles in Power”

Austin, TX - Principal and founder of The Ginac Group, Inc., Linda Ginac, was named as a top 25 finalists for the **Austin Business Journal's Profiles in Power Awards**. Winners will be announced at the 13th annual *Profiles in Power* luncheon and leadership seminar on August 2. Ginac will also be featured in an article introducing the 25 finalists in an upcoming issue of the **Austin Business Journal**.

With over 14 years experience in organizational development, people strategy and career development, Ginac supports individuals and corporations in developing, planning and managing a range of career management and worklife issues. Particular areas of expertise include change management, career transition, professional development coaching and career exploration.

The *Profiles in Power* awards will be presented during *The Leadership Edge: Developing Tomorrow's Leaders Today* seminar and will recognize the career advancement and community involvement of working women of distinction. The nominees are successful business owners or members of top management with a company here in central Texas. The candidates were evaluated by a panel of judges based on four criteria; career advancement, present company success, business leadership and community involvement.
